**New State Tea**  
The Delightful Drink  
Fragrant as the new-blown rose. In the Orient, where the best tea is grown, the gardens yield two and sometimes three crops of pickings from the same plant. The first picking is in May. The young leaves are tender, full of fragrance and strength. The tea which is brewed from them is clear and pure. The later pickings are heavier and have not the natural sweetness of the first crop which makes tea one of the most delicious of beverages. You can always get the truly May picking of Orient Tea if you buy the sanitary package of it.

New State Tea (the finest produced) or Louis Tea (high grade—popular priced)

Which is packed in sanitary, airtight packages in China and Japan and is opened in your kitchen. Select your favorite variety of New State or Louis Tea: Gunpowder, Imperial, Basket Blend, Japan. Look for them on your grocer's shelf. Ask him—insist upon them.
